FACTS PROVE IT!

GET THE FACTS ON "ALL 3" LOW-PRICE CARS AND YOU'LL HAVE PROOF PLYMOUTH IS FIRST:

FIRST IN SIZE—By actual measurement, the 1955 Plymouth is the longest car of the low-price 3. (It's even bigger than some medium-price cars.) Plymouth is truly a big car... 17 feet long!

FIRST IN ROOMINESS—Plymouth is also the biggest car inside, with the greatest hip room and leg room. More comfort for you! And Plymouth's trunk by far the largest in its field, lets you pack practically everything.

FIRST IN VISIBILITY—Comparison proves that Plymouth's glamorous new Full-View windshield—with cornerposts swept back both top and bottom—gives you the greatest visibility of "all 3."

FIRST IN BEAUTY—Compare styling and see why *Charm*, a leading fashion magazine, chose Plymouth "Beauty Buy of the Year." Plymouth's long, sleek Forward Look wins over the hand-me-down styling of the "other 2."

FIRST IN ECONOMY—Smoothest and thriftiest engine of all! That's Plymouth's fast-stepping new 6-cylinder PowerFlow 117. Its Chrome-Sealed Action gives you extra thousands of trouble-free miles.

FIRST IN COMFORT—Plymouth offers you the most comfortable ride you ever experienced in a low-price car. On the biggest car in the lowest-price field can give you true big-car riding comfort.

FIRST IN EXTRA VALUE—Plymouth gives you many extra-value features that the "other 3" low-price cars don't have. Come in today and let us show you why Plymouth is first for value!

Why pay up to \$500 more for a car smaller than Plymouth?

Don't be fooled by the claims of so-called medium-price cars that they cost practically the same as Plymouth. When you compare price tags you'll find that, model for model, Plymouth sells for much, much less than medium-price cars, and gives you more car for your money!
